

Tri-State HRMA Conference

Exhibitor Testimonials

"I had the opportunity to exhibit at the 2009 Tri-State conference and could not have been more pleased with the outcome. I was able to meet and get to know numerous HR professionals and was also able to spend some time with the other exhibitors. As a result, I have had the pleasure of establishing some new working relationships with those in attendance that I may never have had the opportunity to meet otherwise. It was a great experience and I look forward to the 2010 event."

"Innovative Benefit Planning found the Tri-State annual conference tremendous, it was great to see old friends and make new ones. Attendance was high but more importantly visitors were very engaged and receptive to learning how the exhibitors could help their organizations achieve their goals. We look forward to exhibiting next year."

Jerry Hampton – Innovative Benefit Planning

"Alstin Communications is extremely proud to be a Preferred Vendor of the Tri-State Human Resource Management Association. We've been a Tri-State Preferred Vendor for many years and Alstin's continued Preferred Vendor status reflects our ongoing commitment to the mission, duties and exceptional work consistently done by Tri-State for the HR community. In return for our support as a Preferred Vendor, we receive many benefits, including special recognition in Tri-State membership directories, preferred positioning at conferences, unique opportunities to discuss our services at meetings, and much more. Being a Preferred Vendor has been part of a wonderful, mutually beneficial partnership with Tri-State HRMA, and I strongly encourage anyone looking to take a more active role in Tri-State to learn more about becoming a Preferred Vendor."
